## **BRIDGESTONE**

### **Bridgestone**

The Bridgestone Group's mission is based on the words of its founder: "Serving Society with Superior Quality." To fulfill this mission, Bridgestone Group has used the concept of "foundation" to demonstrate the sustained commitment of employees to provide its customers with world class products and services and to serve the communities where Bridgestone does business. "The Bridgestone Essence" is composed of the above words, integrated corporate culture, and diversity that today's company has inherited and a shared sense of values that can be embraced by Bridgestone employees around the world.

## **INGRAM** | **Lightning Source**

### **Ingram Lightning Source**

Currently housing 6,000,000 titles with instant access to each one, Ingram Lightning Source's digital warehouse is a technological wonder. Instead of filling a warehouse and flooding the marketplace with books that may never sell, they print only what is needed to meet the current demand - whether that's a single book or 10,000.

On a typical day, they add 500 titles to their digital warehouse, manufacture more than 50,000 books, and fulfill 27,000 orders.

## **TriStar StoneCrest** **MEDICAL CENTER**

### **Tri Star StoneCrest Medical Center**

TriStar StoneCrest proudly serves Rutherford County Tennessee and surrounding communities. Our 109-bed hospital offers complete medical care for adults and children, including emergency, surgical, maternity, imaging, cardiology, neurology, orthopedic, physical medicine, sleep medicine and oncology services. Our medical staff of about 500 physicians includes more than 45 specialties. Many of our physicians have offices on or near the hospital campus. Our entire staff is committed to providing quality and safe patient care while offering compassion and comfort in our modern facility.

## **NISSAN**

### **Nissan Manufacturing**

The opening of the Nissan Smyrna Vehicle Assembly Plant in 1983 was a groundbreaking moment, bringing automotive production to Tennessee for the first time. The plant has become a force for economic development, creating thousands of well-paying jobs and inspiring other auto companies and suppliers to set up operations in the state. For more than 30 years, the Smyrna team has been assembling quality, award-winning cars, trucks, crossovers and SUVs. The plant has grown significantly over that time and transformed from a domestic manufacturer to a global one.

### St. Thomas Rutherford Hospital | Ascension

Since 1927 Saint Thomas Rutherford Hospital has been committed to physical, emotional and spiritual healing. Saint Thomas Rutherford Hospital is the leading healthcare provider in Rutherford County and continues to grow services in order to meet the healthcare needs of the community. In October of 2010, Saint Thomas Rutherford Hospital opened a new \$268 million facility that is equipped with state-of-the-art technology. The hospital provides 286 all-private patient rooms and is designed to facilitate a healing and spiritual environment. St. Thomas Rutherford's mission is to serve all persons, with special attention to those who are poor and vulnerable, while improving the health of individuals and communities.
