#rutherfordworks

# How do I get involved?

## Build a Team

Teams must consist of at least 6 students and have a teacher sponsor. Open to **ALL** 6th - 8th grade students.

## Pick a Problem

Identify a problem based on the theme that will be revealed on *October 1st*, with a *creative* and *innovative* 'tech' solution.

## Make a Plan

Rely on the *diverse* skills of your team to find a solution to your problem. Your *innovative* and *creative* 'tech' solution can be a concept or prototype.

## Sell your idea

Bring your A-game and pitch your *innovative* and *creative* 'tech' solution to our panel in a **SHARK TANK!** style competition.
